Derby County, where plays Egyptian midfielder Hossam Ghaly, crashed at home 4-0 against Reading in the final day of the Premier League

Ghaly was among the starting lineup but couldn't help his side avoid their 29th defeat of the season.

James Harper opened the scoring on 15 minutes and Dave Kitson, 61, Kevin Doyle, 69, and Leroy Lita, 90 scored three second-half goals to complete the rout.

Despite this large victory Reading will go down as Danny Murphy struck late for Fulham to keep them in the top flight.

Derby County registered the worst records of the Premier League this season as they collected only 11 points winning a single game and conceding 29 defeats.

They scored 20 goals only in 38 games and conceded 89.

Ghaly, who was loaned to Derby last January, played his last game and will return to Tottenham.

Elsewhere Middlesbrough, where play Mido and Mohamed Shawky, made a party at home hammering Manchester City 8-1.

The result is the biggest win of the Premier League this season.
