Abdul-Wahed Al-Sayed, the keeper of the Egyptian Zamalek has expressed his satisfaction with his display in the 2-2 draw with Egypt's El-Ahly

The stopper returned to the Whites team on Sunday for the first time since they lost 2-0 to El-Ahly in the Egyptian Super Cup.

Although the former Egyptian goalie conceded twice, he said he was happy with his showing in the CAF Champions League fixture.

According to FilGoal website, he said that "I'm really pleased with my performance against Ahly.

"I consider this game to be my comeback for this season.

"I have full confidence that we can beat Dynamos and qualify for the semi-finals."

Zamalek must win their final group stage match against Zimbabwe's Dynamos in Harare and also need rivals Ahly to avoid defeat against ASEC Mimosas in order to ensure a semi-final spot.
