Egypt midfielder Mohamed Shawky was delighted with Middlesbrough's 1-1 draw with Arsenal at the Riverside on Saturday

Emmanuel Adebayor's early strike fired the visitors in front, but former Gunner Jeremie Aliadiere leveled the scores for Boro.

"I'm pleased with what I can call a fair and positive result," Shawky told Showtime Sport TV.

"It was very important for us not to lose, especially after last week's defeat at Hull City."

The former Al Ahly maestro believes that his club and national team-mate Mido could secure a big January move - depending on his fitness.

"Mido is one of the club's best players, he's our top scorer in the league and can move to any big club if he wants," he added.

"But what's more important now is that he regains his fitness."
