Omar Suleiman

Palestinian President Mahmoud Abbas is poised to meet on Monday with the Egyptian intelligence chief Omar Suleiman in Jordan to tackle the developments of the Palestinian reconciliation developments

The meeting which is expected to be held on Monday evening will focus on the Palestinian-Palestinian dialogue, reconciliation efforts which are exerted by Egypt, Palestinian Ambassador to Jordan Attallah said.

The meeting is to be held in Jordan because it coincides the visit of President Mahmoud Abbas who is going to head to Yemen for a two-day visit, then fly back to Amman to meet with the Egyptian official once more, then embark on a tour that includes Syria and Italy, the Ambassador said.
